```javascript
function showElementInfo(element) {
    let info = {
        "Hydrogen": "Symbol: H, Atomic Number: 1, Colorless, odorless gas.",
        "Oxygen": "Symbol: O, Atomic Number: 8, Essential for respiration.",
        "Carbon": "Symbol: C, Atomic Number: 6, Found in all organic life."
    };

    document.getElementById("element-info").innerText = info[element] || "Information not available.";
}
```
